

Hebrews (A Faith that Endures)

POINT: "What is the book about?"

It is about anchoring in that which is real & lasting so as to endure.

PURPOSE: "Why was the book written?"

To show faith in Christ superior to ceremonial ritualism

PRACTICAL APPLICATION: "How does this affect my life personally?"

1. Faith must be in Christ and not in angelic beings, why? (Hebrews 1.1-8)

2. _____ is better than the law & Moses (3.5,6), the Priest (7.21-28), the Tabernacle (9.8-14) or sacrifices (10.1-10).

3. Evidence of a true relationship with Christ is that.... (3.14)

What does this look like? (Hebrews 6.11,12; 10.23-25, 36-39; 13.1-6)

4. Why would Christ be the only priest I need according to Hebrews 4.14-16 & 7.23-28?

5. In Hebrews, words like symbol (9.9), copies (9.23, 24) or shadow (10.1) are used to depict that which is not real or lasting. These offer no firm assurance or confidence for the believer. According to chapter 11, what is the only thing that is real and pleases God? (Note verse 1 in particular in KJV)

6. According to Hebrews 12.1-3, what will produce endurance?
